

Epoxy- Thinner 854

Epoxi-Verdünnung 854

for thinning of epoxy paints and floor coats

Properties

Highly effective special solvent. For thinning of epoxy paints and epoxy floor coats on epoxy resin basis.

Field of application

Special epoxy thinner for consistency regulation of 2C Epoxy Adhesion Primer 855 and Floor-tec 2C Epoxy Sealer 853. Can also be used for cleaning the required tools and equipment and for cleaning of tools and equipment in PUR coating system.

Material description

Standard color: colorless

Bonding agent basis: Solvent mixture based on alcohol, aromatics, and esters.

Constituent substances:

Aromatic hydrocarbons, C9-C10, butyl acetate, xylene, 2-methylpropane-1-ol, ethylbenzene

VOC value: approx. 840 g/l

Flash point: +25 °C

Density: approx. 0.84 g/cm³

Packaging: 1 l, 5 l

Use

Add to the relevant product in specified mixing ratio depending on requirements and mix thoroughly. Comply with detailed viscosity adjustment specifications of the individual products.

Storage

Store in a cool and dry location. Protect from direct sunlight. Re-seal opened containers tightly.

Declaration

Water pollution classification: WGK 2, according to VwVwS

Product code

M-VM 04

Comply with the specifications in the current safety data sheet.

Notes

Mask surfaces

Carefully mask the surrounding area and particularly sensitive materials.

Further information

Follow the instructions on the data sheets of the products used.

Remark

This Data Sheet has been prepared taking into account the current applicable German laws, standards, specifications and codes of practice. All details have been translated from the current German version. The contents do not form a legal contract. The user and/or the purchaser is not released from the responsibility of checking that our products are suitable for the proposed use. In addition our Terms of Conditions and Payment apply

When a new version of this Data Sheet with updated information is published, the previous version no longer applies. The current version is available on our website.
